

saveConfigurationRAM

```
graph LR; A[saveConfigurationRAM] --> B[calculate_config_checksum]
```

A flowchart consisting of two rectangular boxes connected by a blue arrow. The first box on the left is dark gray with a thin black border and contains the text 'saveConfigurationRAM'. A blue arrow points from the right side of this box to the left side of the second box. The second box on the right is white with a thin black border and contains the text 'calculate_config_checksum'.

calculate_config_checksum
