

existConfig

```
graph LR; A[existConfig] --> B[calculate_config_checksum]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is gray and contains the text 'existConfig'. A blue arrow points from the right side of this box to the left side of a second box on the right. The second box is white with a black border and contains the text 'calculate_config_checksum'.

calculate_config_checksum
